

Montage Health is a locally owned nonprofit healthcare organization with a more than 90-year history in Monterey County. Created by Community Hospital of the Monterey Peninsula, Montage Health has expanded into a healthcare organization with multiple locations, making a wide range of high-quality health services available to everyone.

Aspire Health

Local, affordable Medicare Advantage plans for Monterey County seniors.
(888) 839-3991 | aspirehealthplan.org

Breast care

Carol Hatton Breast Care Center brings together leading technology and experienced breast specialists to provide mammography and diagnostic care.
(831) 649-7233 | montagehealth.org/breastcare

Cancer care

The Bodine Comprehensive Cancer Center includes the latest in radiation therapy, an outpatient infusion center, a nursing unit for inpatient care, genetic risk assessment, and extensive support services.
(831) 625-4753 | montagehealth.org/cancer

Childbirth

Community Hospital's Family Birth Center offers expert care through labor, delivery, and recovery in private rooms. Our level II specialty care nursery staff includes neonatologists and a perinatologist.
(831) 625-4773 | montagehealth.org/baby

Community Health and Wellness

Our Community Health and Wellness team supports individuals and families through preventive initiatives like community classes, in-school workshops, and resources that support healthier lifestyles and stronger communities.

communityhealth@montagehealth.org
montagehealth.org/communityhealth

Diabetes

Our diabetes team provides education to help you manage or prevent diabetes.
(831) 649-7220 | montagehealth.org/diabetes

Drug and alcohol treatment

Our Recovery Center offers drug and alcohol treatment for adults to improve health and quality of life. Evening programs are available.
(831) 625-4608 | montagehealth.org/bhs

Emergency services

The Emergency department at Community Hospital has specially trained staff and doctors and the latest technology.
If you are having an emergency, call 911.
montagehealth.org/emergency

Employer Solutions

Partner with us to provide your staff with health education, screening services, disease management programs, ergonomics, and individual health reports.
(831) 658-3977 | montagehealth.org/employersolutions

Fitness centers

Montage Wellness Center feature gyms, pools, group fitness classes, personal trainers, and more.
Marina: (831) 883-5656 | Salinas: (831) 622-6900
montagewellnesscenter.com

Health education and support

From meditation to cancer wellness, weight management to grief support, we provide education on many health-related topics.
(831) 624-5311 | montagehealth.org/classes

Heart and vascular care

Tyler Heart and Vascular Center provides a comprehensive range of heart-health services, spanning prevention and diagnosis through advanced treatments such as open-heart surgery and cardiac rehabilitation. The center also offers both open and minimally invasive vascular procedures.
(831) 625-4934 | montagehealth.org/heart

Hospice of the Central Coast

This comprehensive healthcare program for people facing a life-threatening illness combines pain and symptom management with highly sensitive emotional support.
(831) 649-7750 | montagehealth.org/hospice

Imaging

MRIs, CT scans, ultrasounds, X-rays, and other diagnostic and interventional radiology services are provided at multiple locations.
(831) 649-7231 | montagehealth.org/radiology

Laboratory services

Our labs guarantee quick, accurate results. To find a location near you, see the map on the reverse.
(831) 625-4811 | montagehealth.org/lab

Lung health

Conditions from asthma to chronic obstructive pulmonary disease can be better managed with help from our pulmonary wellness team.
(831) 883-5660 | montagehealth.org/cardiopulmonary-wellness

Mental health

Adults: Behavioral Health Services therapists and psychiatrists provide evaluation, medication management, and group and individual therapy, plus a Crisis Stabilization Unit at Community Hospital.
Inpatient: (831) 625-4775 | Outpatient: (831) 625-4600
montagehealth.org/bhs

Youth: Ohana is Montage Health's family-focused youth mental health program with outpatient, partial hospitalization, and residential programs, plus a Crisis Stabilization Unit at Community Hospital.
(831) 642-6201 | montagehealth.org/ohana

Montage Health Foundation

Our foundation inspires philanthropy to enhance the health of the entire community.
(831) 658-3630 | montagehealthfoundation.org

Neuroscience services

Expert diagnosis and treatment for brain, spine, and nervous system health.
(831) 620-0700 | montagehealth.org/neurology

Nutrition Therapy

Our Nutrition Therapy program can help you manage a special medical condition, offer guidance to improve your nutritional health, and provide information about weight-loss surgery.
(831) 649-7220 | montagehealth.org/nutrition

Orthopedics and sports medicine

Montage Health provides the full range of care for bones, joints, muscles, and nerves, as well as more knee, hip, and shoulder joint replacements than any other hospital or center in the region.
Community Hospital: (831) 625-4994
Montage Orthopedics and Sports Medicine Center: (831) 648-7200
