

Is someone having an overdose? Call 911 to save a life.

California has a Good Samaritan law. If you have drugs in your possession and you call 911 when someone with you has overdosed, you will not get any criminal charges for possessing the drug.

Narcan (naloxone) can reverse an opioid overdose

Need Narcan? Ask your doctor or contact prescribesafe@chomp.org.

Narcan can be given in the nose similar to how nasal spray is administered. **Always call 911 when someone needs Narcan or is non-responsive.**

Have a tip? Call Monterey Police Department (831) 646-3840 or Monterey County Sheriff's Department anonymous tip line (888) 833-4847.
